Pre-trip add-on option: ‘48 hours in Naples’.**

Itinerary updated 17 March 2021.

The *Italy’s sun-kissed south* tour starts at 6pm on Sunday 18 September 2022. We’ll spend that night in Naples and depart at 9am the next day. Those wanting to arrive early, adjust to the local time-zone and see more of Naples might like to join this special pre-trip experience.

Guided by specialist local guides, two 4-hour walking tours will introduce Naples’ past and present, taking in archeological sites, magnificent churches, beautiful view-points, quiet courtyards, bustling streets, colorful markets, specialist food-stores, artisans studios, glorious historic art and contemporary street art. These two leisurely-paced walks will lead you into the warm heart of the city, without overloading you with facts and statistics. No-one need worry about getting walked off their feet. Along the way we’ll stop for an espresso, a gelato, a slice of pizza, a glass of wine, etc. In this way the walk will incorporate the tastes of Naples as well as the sights and sounds.
